Dear Cheryl Everett:

I am pleased to invite you to nominate your most outstanding students to join youth from more than 95 countries in attending a People to People World Leadership Forum. We learned of your specialized teaching background through your membership in the National Association of Gifted Children. At the 2011 World Leadership Forum, your finest students can build leadership skills while fulfilling President Dwight D. Eisenhower's vision for fostering world citizenship when he founded People to People International during his presidency in 1956.

To nominate students, simply complete the certificate on the reverse and fax or mail it to our office, or nominate online at www.peopletopeopleWLFnom.com using your user name: **ceverett** and PIN **QATPCW**, no later than **November 2, 2010**. Please nominate fourth- through seventh-grade students who demonstrate outstanding scholastic merit and leadership potential. With the competition for space, I ask that you limit your nominations to seven. Please return your certificate by the deadline even if you don't have candidates to submit.

Because of your nomination, your students will receive more information about applying for the Forum. Accepted students will receive an application for one of more than 20 competitive need- and achievement-based scholarships. People to People is committed to supporting student diversity, which enhances the experience for everyone involved.

Upon official acceptance of your students into the Forum, their representative in Congress will be notified, and each student will receive a press release for his or her local news media.

We look forward to receiving your nominations and thank you for your support as an educational advisor. If you have questions, please visit www.peopletopeople.com/leadership or contact our education specialists at 888.275.5061.

Sincerely,
